EXPERIENCE

FREELANCE PODCAST PRODUCER

June 2022 - Present

I've worked with multiple companies to create 6 different podcast shows and edit over 300 podcast episodes.

- Conceptualize, brand, and launch new shows
- Produce weekly audio and video episodes using Logic Pro and Premiere Pro
- Distribute episodes on all major streaming platforms
- Write show notes and transcribe episodes for SEO purposes
- Market shows on social media

THE FINANCIAL GUYS

October 2018 – Present

BUFFALO, NY

Media and Production Specialist

- Write, record, and edit radio and television commercials
- Edit weekly audio and video podcasts
- Produce promotional content for social media platforms

FREELANCE PHOTOGRAPHER

June 2017 - Present

- Take pictures of individuals and families, either in a studio or on location
- Edit photos in Adobe Photoshop and Lightroom
- Use DSLR camera, lenses, tripods and lighting kit
- Communicate with clients from booking to delivery of pictures
